Notice.-R. P. Cannaway says:-My wife was cured of what was pronounced by the most eminent Physiciaus to to be "Consumption of the Lungs," by the use of Dr. C. THE MISSOURI HARMONY; Revised, Enlarged and BENJ. SMITH'S SUGAR-COATED PILLS," which I gave as a last resort. She was given over to die by her Doctors, but after a few doses of Dr. Smith's Pills, according to the directions, I discovered that she seemed to improve and the cough to lessen. The disease appeared to come to the surface, and the whole abdomen broke out in running sores, and the spitting of bloody corruption which had been exceedingly bad, ceased, by perseverance in the use of the Pills without any other medicine. In two weeks she was restored to better health than she has before enjoyed since she was grown. R. P. CANNAWAY. March 17th, 1853. Depot Agent, Wartrace, Tenn.

H. G. FARRELL'S CELEBRATED ARABIANLINIMENT

IT IS A FACT ESTABLISHED and well known that the Arabians attained a height in the knowledge of medicine which caused the whole world to wonder and admire. With them the science of chemistry had its birth, and it is, therefore, not at all strange that a people so eminently successful in the healing art, and so persevering and daring in character, should, by actual and untiring experiment, discover remedies far surpassing in efficiency all others, for the cure of those diseases incident to them from their mode of life. The greater part of their time being spent in hazardons and bloody warfare with the different tribes, they were subject to the most violent attacks of rheumatism, par, alvsis, neuralgic pains, and various inflammatory diseases, as also the most horr d wounds, sprains, bruises, tumors-swellings, diseases of the joints, etc., etc. All these diseases they were so surprisingly efficient in curing, that the uninitiated looked with wonder and attributed their skill to the powers of magic. H. G. FARRELL'S ARABIAN LIVI-MENT is a composition of balsams and oils, from rare plants peculiar to this country, and it was by the use of the articles composing this great remedy that not only their physicians, but even the wild Arabs of the desert were enabled to perform such miraculous cures. The Arab steed is world-renowned for his beautiful symmetry of form, his unsurpassed speed and agility, and the incredible fatigue be is capable of enduring. Why is it? Because from me time of his birth enduring. Why is it? Decause from the time of his birth his limbs are certainly watched, and upon the first appearance of disease the magic lotion is applied, and such things as confirmed sweeny, poll-evil, fistula, ringbone, scratches, spavin, lameness, etc., etc., are unknown. The same result will follow in all cases where H. G. Frrrell's Genuine Arabian Liniment is used in time. Therefore delay not in procuring a good supply of it, for every dollar spent in it will save you twenty, and a great deal of suffering, if not your Look out for Counterfeits!

The public are cautioned against another counterfeit, which has lately made its appearance, called W. B. Farrell' Arabian Liniment, the most dangerous of all the counterfeits, because his having the name of Farrell, many will buy it in good faith, without the knowledge that a counterfeit exists, and they will perhaps only discover their error when the spurious mixture has wrought its evil effects. The genuine article is manufactured only by H. G. Farrell, sole inventor and proprietor, and whole sale druggist, No.
